To Whom it may concern

Dear Sir or Madam:

As a sailor since 1998 I am required to have my medical certificate renewed every two years, by a medical doctor approved by the Norwegian Maritime Directorate.

The last fifteen years I have lived in Hungary and I have been relieved by the fact that there is a medical doctor approved by Norwegian authorities in Budapest.

Dr. Imre Melles and the Hungarian Aviation, Shipping and Maritime Medical Centre, have provided medical services that by no means are inferior to the services of the Norwegian medical doctors I have been examined by earlier.

I will by this testify my satisfaction of how I have been treated by Dr. Melles and his staff, and I recommend his services to others. And the fact that such service is found in Budapest is of great value as well.

Yours faithfully,

Jan Frode Velkey-Sølvberg
